LTR2300- K-Light

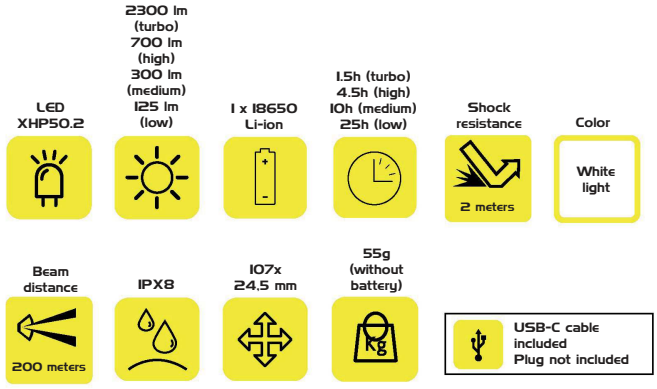

PR41-LTR2300

RECHARGEABLE AND COMPACT TACTICAL FLASHLIGHT

POWERFUL LED TACTICAL LIGHT

The LTR2300 K-Light is an ultra-powerful multifunctional lamp.
Compact, practical and functional, it offers a power of up to 2300 lumens, with a range of 200 meters.
You will particularly appreciate its various modes of use such as SOS or the strobe function.
Its 3200 mAh 18650 Li-ion battery can be directly recharged by USB-C, and offers a 10-hour runtime at medium flow.
Our LTR2300 K-Light is elegant, measures 10 centimeters, and very light: 55 grams only.
