Ultra thin SLIM inspection lamp

Réf. SC41-SLIM-FOR-LIFE

Description:
Ultra-slim rechargeable work light offering the perfect combination of convenience and versatility. This light is a 3-in-1 solution that serves as an inspection light, work light and torch, all in one compact and portable flashlight. Thanks to the ultra-slim design of the light part (only ø9 mm), it is perfect for reaching the tightest and most difficult to access work areas. It is equipped with an integrated magnet and hook, as well as a 100% foldable body that guarantees flexible positioning possibilities. The OPTILight adjustment allows you to obtain the required illuminance (LUX) in a typical work situation with a simple push, thus ensuring optimum illumination and duration of use. This work light offers a constant light output measured in accordance with the European standard EN 13032-1.
